

CANCEL YOUR STUDENT DEBT!

Thanks to the advocacy of our union, the Biden Administration has made dramatic changes to the federal Public Service Loan Forgiveness program (PSLF) These changes may help if you:

- ✓ Work full-time for a school district or higher education institution.

AND

- ✓ Have federal Direct Loans or you consolidate into the Direct Loan program by Oct. 31, 2022.

What you need to do before Oct. 31, 2022:

Go to studentaid.gov/pslf and log in with your Federal Student Aid ID to access the PSLF Help Tool. Make sure your contact information is up to date so the U.S. Department of Education can reach you.
